Dear Ms. Sinram:

The National Republican Congressional Committee (FEC ID# C00075820) is in receipt of your Request for Additional Information dated July 16, 2008, regarding our May 2008 monthly report.

Your letter indicates that the Committee disclosed both independent and coordinated expenditures for the same candidates. The Committee complied with all rules and regulations regarding independent expenditures. Committee staff working on independent expenditures are not permitted to have contact about their work with the campaigns, regular Committee staff, or Committee leadership. The filings are correct as filed and meet the standard established by the Commission and the courts.

The Calendar Year-To-Date Per Election for Office Sought amounts for independent expenditures made in connection with the 2008 Special General and 2008 Special Run-off elections for the congressional seat in the first district of Mississippi will be separated by election totals as you indicated in the amendments to be filed by the Committee.
